Re: Application for Certificate of Public Convenience and Necessity and Request for Waiver of Hearing Requirement of Regulation 103-133

Ladies & Gentlemen:

We are submitting this letter and the enclosed documents as notification to the Public Service Commission of South Carolina (the "Commission") of the change in ownership of Cardinal Moving & Storage, Inc., a North Carolina Corporation ("Applicant"). Cardinal Relocation Group, LLC, a North Carolina limited liability company, is acquiring all of the capital stock of Applicant (the "Stock Transfer"), pursuant to a stock purchase agreement dated March 10, 2008 (the "Stock Purchase Agreement").

Enclosed please find the following materials, each of which was first submitted to the Commission on March 10, 2008, filed pursuant to Section 103-135 of the South Carolina Code of Regulations.

1. Transportation Cover Sheet;
2. Application for Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier and all necessary exhibits (the "Application");
3. Application for the Sale or Transfer of Certificate of Public Convenience and Necessity and all necessary exhibits; and

4. Copies of Transaction Documents (Stock Purchase Agreement and Stock Redemption Agreement).

In addition to the documents listed above, enclosed please also find the following materials requested by the Commission in a letter dated March 14, 2008.

5. Insurance Quote;
6. Certificate Regarding Debts ; and
7. Bills of Lading from the past year.

We believe that the Application and the other enclosed documents satisfy the filing requirements of Section 103-135 of the South Carolina Code of Regulations. Additionally, we respectfully request that the Commission waive the hearing requirements of Regulation 103-133. The Stock Transfer, described in greater detail in the enclosed Stock Purchase Agreement, will merely result in a change of ownership of Applicant. After the Stock Transfer, Applicant will remain in existence and with uninterrupted service in South Carolina. The Stock Transfer will not result in an actual transfer of the Certificate (No. 9662), as the Certificate will continue to be held by Applicant.

We believe that Applicant can demonstrate that it is fit, willing and able to provide the requested service to the public without the need for a public hearing. Applicant's new management has significant experience in the transportation of household goods, as detailed further in the enclosed Application, and knowledge of the applicable rules and regulations, including safety operations in South Carolina. The current officers of Applicant, Brian J. Bostick and W. Watson Barnes, Jr., will remain with the company temporarily to assist in the transition. It is anticipated that the other employees, including drivers, warehouse personnel and others involved in day to day operations, will remain with Applicant. In addition, Applicant will retain all assets and equipment, a detailed listing of such equipment is attached as an exhibit to the enclosed Application.

Should you have any questions, please do not hesitate to contact us.

Sincerely,

WYRICK ROBBINS YATES & PONTON, LLP
